

# JAHTIJAKT FISHING SUITS

For those of you who have been making do with the Jahtijakt hunting suit for your fishing trips, the wait is over. The new high quality Jahtijakt fishing suit from Finland is now available in the UK, through Arctic Outdoor Clothing.

Ideal for all weather conditions, the jacket, with hood and trousers, comes with a comfortable micro-fleece inner suit, and an Airtex membrane lining with taped seams, making it breathable, waterproof

and windproof. The suit, already a firm favourite in Scandinavia, can be accessorised with Jahtijakt rubber Highland boots, that have a special inner surface layer and a well-insulated sole structure; a fishing rod support; a backpack; and a specially designed fishing vest that allows you to have everything to hand that you might possibly need.

Prices start at £149.50 for the fishing suit, which includes a jacket, trousers and micro-fleece suit; £39.50 for the fishing vest; £25.50 for the fishing rod support; £57.50 for the back pack; and £58.50 for the Highland boots.
